## PEOPLE OF GAINESVILLE

## A PROCLAMATION BY W. M. JOHNSON.

Whereas, the people of our city have been led to purchase so-called remedies from which they have received no benefit whatever, and having thus wasted so much hard-earned money, it has come to pass that they knew not what to believe,

Inasmuch as this unsatisfactory state of affairs now exists, know, therefore, all persons who are in need of a medicine for any of the following ailments, that we will supply them with Vinol, our Cod Liver preparation made without oil, on a positive guarantee that if it does not succeed in benefiting them, we will refund the entire amount of money they have laid out on the medicine.

There is no one medicine that will cure everything, but there are some we knew to be honest, reliable and of great curative value. Such is VINOL; it is not a patent or secret medicine, everything in it is plainly printed on the label. We are familiar with every particle of it, and know that it should be a blessing to all persons who have troubles hereinafter described; and, unlike other medicines, it will cost absolutely nothing if it produces no benefit.

Could any offer be more fair than this? You are ill; we offer you medicine which we believe in our hearts will be a blessing to you, and if it is not we will return to you every penny you paid us. Is there anyone foolish enough not to accept this offer? If you are ill and need such a medicine you owe it to your family, to your friends, and yourself to try VINOL, which we give you our pledge is a genuine Cod Liver preparation made from fresh Cod's Livers.

Do you think we could afford to lend our name to its praises, as we have been doing in the newspapers, if we did not know VINOL to be an honest and unusually valuable remedy for the ills for which it is prescribed? We certainly could not; we therefore ask you, our neighbors, friends and acquaintances, to accept our assurance that this is a genuine offer, and that any and all persons who need a medicine of this character should feel a sense of security in our offer.

**All Run Down—No Appetite.** If you feel all worn out, have very little appetite, and not much sleep, caused by over-work or sickness, try VINOL on our guarantee.

**Debilitated—All Tired Out.** Why drag out an existence without life or ambition. It is not natural to feel continually tired. We guarantee VINOL will bring life, strength and vigor to the debilitated. If you do not feel well try VINOL. If it does not help you, your money will be refunded.

**Gain Flesh—Get Strong.** You can get fat without taking disagreeable Cod Liver Oil. Fat taken into the system does not create fat. We believe VINOL will create flesh quicker than any preparation containing grease. We have proved in many cases that VINOL quickly creates strength. Try it on our guarantee.

**Indigestion—Dyspepsia.** Only those who actually suffer know its terrors, for them life is robbed of all joy. It produces many serious complications and enfeebles the entire system. Relief only comes when a scientific remedy enables the stomach to properly assimilate food. There is no medicine that will do this so successfully as VINOL. Try it on our guarantee.

**Old People—Weak People** need a strengthening and invigorating re-builder. VINOL is of exceptional value in such cases. We guarantee it to give strength and health to those who are weak and debilitated, from disease or old age. Try it on our guarantee.

**Pale Women—Pale Children** need a tonic-reconstructor that will create flesh and make pure red blood. Pale, haggard faces show that the blood is poor and thin, and also indicates imperfect digestion. VINOL will correct such troubles as sure as the sun shines. Children love VINOL, it is so delicious. Try it on our guarantee.

**Bronchitis—Sore Lungs** often end fatally unless specially cared for in its early stages. There is no medicine more valuable for restoring health to the throat and lungs than VINOL. Try it on our guarantee.

**Nervousness—Irritability.** Diseased nerves are due to over-work, insufficient nourishment or slow breaking down of general health. We guarantee VINOL to permanently and effectually remove nerve affections; it actually rebuilds the entire body. Try it on our guarantee.

**Chronic Colds—Hacking Cough.** Sure signs of danger ahead. One might as well commit suicide as to let them go unchecked. VINOL is the very medicine needed. Unlike other Cod Liver preparations, it does not upset the stomach, and is delicious to the taste. Try it on our guarantee.

**Nursing Mothers—Weak Mothers.** If women with nursing babies who have difficulty in keeping up their health and strength would take VINOL, we know positively that the best results would be obtained. You know the life and future development of the child depends upon proper nourishment.

We stake our reputation on this offer being genuine. You will absolutely be under no obligation to us whatever, if after you have given VINOL a fair trial for any of the above ailments and have not received any benefit; you have only to tell us so, and we will return the entire amount of money you have paid us.

You see our faith in VINOL, and you must admit that we know something about medicine; therefore, when we tell you that VINOL is the most valuable Cod Liver preparation we have ever known, and a wonderful tonic-reconstructor and re-builder of strength, appetite and health, at the same time delicious to taste, we are not unreasonable to expect you to believe us.

G. B. Burhans of Carlisle Center, N.  
Y., writes: "About four years ago I  
wrote you stating that I had been en-  
tirely cured of a severe kidney trouble  
by taking less than two bottles of Fo-  
ley's Kidney Cure. It entirely stopped  
the brick dust sediment, and pain and  
symptoms of kidney disease disap-  
peared. I am glad to say that I have  
never had a return of any of those  
symptoms during the four years that  
have elapsed and I am evidently cured  
to stay cured, and heartily recommend  
Foley's Kidney Cure to anyone suffer-  
ing from kidney or bladder trouble."

## Sultan Getting Ready to Yield.

Constantinople, Nov. 22.—The fre-  
quent and prolonged conferences of  
the council of ministers at the Yildiz  
palace are believed to indicate prepa-  
rations to yield in principle to the  
demand of the powers for the accep-  
tance of the final reforms decided upon  
for Macedonia. Probably, however,  
the Turkish government will make  
further attempts to secure modifica-  
tions of the plans before definitely ac-  
ceding the full program. The arrival  
of the international fleet at Pireaeus  
is likely to hasten the Turkish decision.  
The Russian fleet has returned to Se-  
bastopol from a short cruise in the  
Black sea.

## Man's Unreasonableness

Is often as great as woman's. But  
Thos. S. Austin, manager of The Re-  
publican of Leavenworth, Ind., was  
not unreasonable, when he refused to  
allow the doctors to operate on his  
wife for female trouble. "Instead," he  
says, "we concluded to try Electric  
Bitters. My wife was then so sick she  
could hardly leave her bed, and five (5)  
physicians had failed to relieve her.  
After taking Electric Bitters she was  
perfectly cured, and can now perform  
all her household duties." Guar-  
anteed by all druggists. Price 50c.
